

# Technical and Vocational Programs

## A 45 38 0 Human Services Technology – Associate in Applied Science

## D 45 38 0 Human Services Technology - Diploma

### CONCENTRATION OVERVIEW

The Human Services Technology curriculum prepares students for entry-level positions in institutions and agencies which provide social, community, and educational services. Along with core courses, students take courses which prepare them for specialization in specific human service areas.

Students will take courses from a variety of disciplines. Emphasis in core courses is placed on development of relevant knowledge, skills, and attitudes in human services. Fieldwork experience will provide opportunities for application of knowledge and skills learned in the classroom.

Upon completion of this concentration, graduates should qualify for positions in mental health, child care, family services, social services, rehabilitation, correction, and educational agencies. Graduates choosing to continue their education may select from a variety of transfer programs at senior public and private institutions.

### Student Learning Outcomes – Upon completion of the program, students will:

1. Demonstrate the ability to identify and access human services resources, including face to face and on-line databases, directories, and referral centers.
2. Develop the ability to initiate, plan, manage and terminate different types of groups related to human services practice.
3. Conduct interviewing and counseling skills appropriate to entry-level human services practice.
4. Demonstrate an understanding of and compliance with professional ethical standards common to the human services field.
5. Understand and apply professional skills that meet the standards and expectations of entry-level human services practice.

**Partnership: N/A**

**Some Health Sciences and Wellness Programs may have additional requirements related to required GPAs, grades, and other progression policies required for graduation. Please see program handbooks for more information.**
