

A 45 11 0 L.P.N. – A.D.N. Option – A.A.S.

This option is for currently Licensed Practical Nurses (LPN) to advance to an Associate Degree in Nursing.

Partnerships:

ODU - ADN & BSN Concurrent Enrollment Agreement - An articulation agreement with Old Dominion University so that students may be enrolled in both the Associate Degree Nursing program and the ODU BSN program courses at the same time. Students may earn an Associate Degree in Nursing from COA and a Bachelor of Science in Nursing (BSN) degree from ODU.

MACU - Associate Degree Nursing and Bachelor of Science Biblical Studies Articulation Agreement—An articulation agreement with Mid-Atlantic Christian University so that students may receive training in both Nursing and Biblical Studies. Students can earn an Associate Degree in Nursing from COA and a Bachelor of Science degree in Biblical Studies from MACU.

RIBN – Regionally Increasing Baccalaureate Nurses – East Carolina University (ECU)

College of The Albemarle has two RIBN articulation agreements with East Carolina University so that students may be dual enrolled beginning the third semester of the ADN program, to earn an Associate Degree in Nursing from COA and a Bachelor of Science in Nursing (BSN) degree from ECU.

RIBN is designated for graduating high school students.

aRIBN (Alternate RIBN) is designed for already progressing college students.

For more information on these partnerships, please call 252-335-0821, ext. 2304.

The Associate Degree Nursing and Licensed Practical Nursing to Associate Degree Nursing Option (LPN to ADN Option) nursing programs at College of The Albemarle at the COA-Elizabeth City campus located in Elizabeth City, NC is accredited by the: Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326, (404) 975-5000.

The most recent accreditation decision made by the ACEN Board of Commissioners for the Associate Degree Nursing and Licensed Practical Nursing to Associate Degree Nursing Option (LPN to ADN Option) nursing programs is: Continuing Accreditation.

View the public information disclosed by the ACEN regarding this program at: <http://www.acenursing.us/accreditedprograms/programsearch.htm>

Some Health Sciences and Wellness Programs may have additional requirements related to required GPAs, grades, and other progression policies required for graduation. Please see program handbooks for more information.

Program Student Learning Outcome- Upon completion of the program, students will:

1. Integrate best current evidence with clinical expertise and patient/family preferences.
2. Promote human flourishing through recognition of the patient or designee as the source of control and full partner in providing compassionate and coordinated care based on respect for patient's diversity, preference, values, and needs.
3. Demonstrate sound nursing judgement in practice through use of clinical reasoning, knowledge and science, and effective management of care to provide safe, quality care.
4. Develop professional identity with behaviors that reflect integrity, effective communication, personal accountability, legal /ethical practice, advocacy and nursing leadership
5. Function effectively within nursing and inter-professional teams, fostering open communication, mutual respect, and shared decision-making to achieve quality patient care.
6. Establish a spirit of inquiry and lifelong learning that integrates knowledge and science with effective teaching and learning principles to improve quality of care and promotion of health.
7. Use information and technology to communicate, manage knowledge, mitigate error, and support decision making.
8. Minimize risk of harm to patients and providers through both system effectiveness and individual performance.
9. Use data to monitor the outcomes of care processes and use improvement methods to design and test changes to continuously improve the quality and safety of health care systems.

A 45 11 0 LPN-ADN Option – A.A.S.
